**Subject:** Time for an introductory call with me and Surabhi?

Hi Tom,

I hope this message finds you well. As a follow-up to her in-person introduction at the May ANEP meeting, Surabhi has made it a priority to continue her outreach to NEP Directors as much as she can. It just so happens that we are preparing to submit the StoryMap that Nancy initiated over a year ago, which as you may recall includes important work that Santa Monica Bay has been doing.

Part of this call will be to discuss finalizing language that relates to SMBNEP. Will you have some time today or tomorrow for a quick (30-minute) discussion? If so, can you please identify available times and I will send a calendar invite to follow.

Thanks,  
Vince
